Price Match Policy

Zeniar Hosting (“Zeniar”) is committed to offering the best value in shared web hosting, in Australian dollars (AUD). We’re so confident in our pricing and features that we offer the Price Match Guarantee. This document outlines the detailed terms and conditions of this guarantee. Please note that these terms may be amended by Zeniar at any time without prior notice. These terms are in addition to Zeniar’s [link to existing Terms & Conditions].

Eligibility

Plan Type: This guarantee applies only to shared web hosting plans offered by other providers. Reseller, VPS, cloud, or dedicated server plans are excluded.

Comparable Features: Zeniar will only consider matching plans with comparable features and specifications, as outlined in section 2 of the original document.

Pricing Comparison: The competitor’s plan price must be publicly advertised and verifiable in their local currency. Quotes, discounts, or special offers not available to the general public will not be accepted.

Exchange Rates: As Zeniar bills in AUD, when matching a plan from an international competitor, the current exchange rate at the time of price match approval will be considered.

M.2 SSD Storage: Plans offering M.2 SSD storage are excluded from the guarantee. However, plans with standard storage or SSD storage can be matched.

Zeniar’s Discretion: Zeniar reserves the sole right to approve or deny any price match request based on its assessment of the competitor’s plan, pricing, and exchange rates. No explanation will be provided for denied requests.

Processing Time: Processing of price match requests can take up to 5 business days.

Applying for the Guarantee

Price Matching and Discounts

If approved, Zeniar will offer a comparable shared web hosting plan with a 25% discount compared to the verified competitor’s price, converted to AUD using the exchange rate at the time of approval.

New Subscriptions: For new customers, the discount will be applied to the standard price of the comparable Zeniar plan.

Existing Subscriptions: For existing Zeniar customers, the discount will be applied to their current renewal price.

Exclusions: The Price Match Guarantee does not apply to:

- Premier Plus subscriptions.
- Domain name registrations.
- SSL certificates.

Rights and Termination

Exchange Rate Fluctuations: If the exchange rate between AUD and the competitor's currency fluctuates significantly after the price match approval, Zeniar reserves the right to adjust the subscription price accordingly to maintain the 25% discount benefit. You will be notified of any such adjustment with due notice.

Zeniar's Discretion: Zeniar reserves the right to terminate the Price Match Guarantee at any time for any reason without prior notice.

Termination for Existing Customers: Zeniar reserves the right to terminate the price match for existing Zeniar customers who have been approved for the guarantee if deemed necessary (e.g., significant competitor plan or pricing changes, exchange rate fluctuations).
